

Himalayan Crystal Salt Products

www.himalayaimpex.com

Welcome to Himalaya Impex

It was a monumental day when we realized
how detached we had become from our
former natural habitats.

It made us think how we can bring nature
back to our lives.

Then the “Himalaya Impex” emerged to establish a
bridge between the men of today to his
roots.

Himalaya Impex brings a specialty of salt products
which are free from any chemical
processing.

Most of us are unaware of the treasures
nature has hidden beneath the surface. One
of these amazing resources of nature is the
Himalayan Salt which possess immense
healing properties that remove toxins from
your near environment and reduce risks of
breathing complications.

09

Salt Grilling & Serving Plates

Innovative luminous reddening used for a grilling & serving for chilled and hot cuisines.

12

Salt Lamps

Exquisite Crystal Salt lamps are mined from an ancient primal sea beneath the Himalayan Mountains, the home of mineral salt rocks.

We adhere to the highest standards of quality, safety, and hygiene when hand carving each precious product. No harmful additives ever come near our process, where we handpick the most attractive, powerful rocks for salt lamps.

This salt is abundant with healing qualities that cleanse our surroundings as it emits anions which help to balance adverse effects of an electromagnetic field generated from electrical appliances.

Salt Lamp

Natural Shaped Salt Lamps

The Himalayan Salt Lamp, the new-age bridge between man and nature. It is Derived from hidden mineral treasures below the Earth's surface.

This innovation is hand chipped and carved into a connatural shaped lamp to preserve natural appearance.

It generates ions on heating which detoxifies air by neutralizing harmful toxins produced by electrical devices.

Fire Bowl With Chunks

Himalayan salt chunks bowl depicts alluring sight when heated. The unadulterated chunks of pink Himalayan salt are conscientiously handpicked from ancient sea salt beds preserved under foothills of Himalayans range.

The sun tinted salt chunks emit the soft glow that is used in feng shui and low light therapy. Salt is hygroscopic in nature salt as chuck bowls can attract water molecules from the air. Lamps trap dirt, pollen, and smoke particles from surrounding environment.

We secure predominant level of quality and hygiene standards while carefully handcrafting our products. Most attention is given preserving natural benefits associated with the purest salt of the world. During the transformation of our products, no harmful substances are involved.
